Sweet Basil Neapolitan Style Pizzeria is locally owned by Dan Joyce, who has always had a passion for good pizza. He was getting tired of the thick crust nationwide chains, so he decided to open Sweet Basil to offer Clevelanders an alternative to the typical pizza. With a variety of gourmet toppings to choose from, Dan promises to provide a delicious hand-tossed, thin crust pie, soon to be a Cleveland favorite! Sweet Basil offers both dine-in and takeout and serves beer and wine. Dan, father of four, was born and raised on Cleveland's West Side and is an alumni of St. Ed's and Miami University.
